**POSSESSION SUMMARY**

**Program:** Transfer Student Center

**Program Summary:** The Transfer Student Center is a part of the Thrive Center and larger Student Success & Retention Innovation (SSRI) umbrella, but the Transfer Center maintains its own space in the Student Union. It is the TSC’s mission to cultivate an inclusive environment for students who have transferred to the University of Arizona, and guide transfer students as they gain academic and life skills through connections to resources and community. This is often accomplished through academic and social programming. In addition, the TSC works to promote the persistence and graduation of students who have transferred to the UA by serving as a hub for transfer students in the following ways:

1. Provide connections to academic, social and professional resources.
2. Collaborate across campus and the Tucson community to serve students.
3. Serve as advocates for the transfer student experience.

**Job Title:** Transfer Student Assistant
